MEMORANDUM FOR DISTRIBUTION

SUBJECT: Network Infrastructure Security Technical Implementation Guide (STIG), Version 8

Reference: DoD Directive 8500.1

1. DoD Directive 8500.1 requires that "all IA and IA-enabled IT products incorporated into DoD information systems shall be configured in accordance with DoD approved security configuration guidelines" and tasks DISA to "develop and provide security configuration guidance for IA and IA-enabled IT products in coordination with Director NSA."

2. Under the authority of DoD Directive 8500.1, DISA hereby releases the Network Infrastructure STIG, Version 8, for immediate use as a DoD-approved security configuration guideline. The document is available on http://iase.disa.mil and on the IA Portal at https://www.us.army.mil/suite/page/397960

3. Point of contact for this action is FSO Customer Support, DSN 570-9264, Commercial (717)267-9264, email: fso_spt@disa.mil.
